

Certificate

968/CSA 1004.00/24

Product tested	Verification and Validation Tool	Certificate holder	Schneider Electric Systems USA, Inc. 26521 Rancho Parkway South Lake Forest, CA 92630 USA
-----------------------	----------------------------------	---------------------------	---

Type designation	Triconex Safety Validator V2.1.x (see the Certificate Appendix for details)
-------------------------	--

Codes and standards	IEC 62443-4-1:2018 (Edition 1.0) IEC 62443-4-2:2019 (Edition 1.0)	ISASecure® Component Security Assurance 1.0.0:2019 ISASecure® CSA 102:2023 Version 2.5
----------------------------	--	---

Scope and result	The Triconex Safety Validator complies with the component requirements of the security standards IEC 62443-4-2 Security Level Capability 1 (SL-C 1) and ISASecure® CSA 1.0.0 according to Capability Security Level 1.
-------------------------	--

Specific requirements	The Triconex Safety Validator can be used to validate TriStation 1131 applications.
------------------------------	---

Specific requirements	For the use of the product the safety and security considerations as documented in the user guides must be considered.
------------------------------	--

Specific requirements	This certificate remains valid under the condition that the Triconex Safety Validator remains under the security management practices certified by ISASecure® Security Development Lifecycle Assurance certificate SDLA 107 issued to Schneider Electric Systems USA, Inc.
------------------------------	--

Valid until 2029-05-02

The issue of this certificate is based upon an evaluation in accordance with the Certification Program CERT CS1 V3.0:2021 in its actual version, whose results are documented in Report No. 968/FSP 1208.06/24 dated 2024-04-29. This certificate is valid only for products, which are identical with the product tested. Issued by the certification body accredited by DAkkS according to DIN EN ISO/IEC 17065. The accreditation is only valid for the scope listed in the annex to the accreditation certificate D-ZE-11052-02-00.
